Maspalomas Dunes

The Maspalomas Dunes Special Natural Reserve is an immense expanse of sand which is continuously sculpted by the wind. The dunes are part of the San Bartolomé de Tirajana municipality in the

Vegueta old town

Towards the south of Gran Canaria's capital city, Vegueta was the original settlement that gave birth to Las Palmas at the end of the 15th Century. Its streets and squares contain historical buildings

Roque Nublo

This Natural Monument is one of the most representatives icons from the Canary Islands and, of course, from Gran Canaria. It is located in the municipality of Tejeda and it is the second highest place from the

Agaete

The northern route finishes in the municipality of Agaete, an eminently coastal locality situated 30 kilometres from the capital. This marine municipality's town centre is found 43 metres above sea-level.

Scuba diving

Gran Canaria Divers is the highly rated diving center next to Mogán beach (Playa de Mogán) and Mogán harbour (Puerto de Mogán), offering quality diving guidance and instruction both from shore and

Hair salon

We offer the full range of hairdressing and cosmetic treatments: haircuts, coloring, hair repair treatments, hand and foot care, face and body treatments, including hardware cosmetology and various

Sauna

Whether after sporting activities, before jumping into the pool or just tike that: recharge your batteries and relax. Here in the “Post” you can sweat in a noble ambience. In the sauna with a view of nature or

Bike tours

No matter if you're on a road bike, mountain bike or e-bike, cycling tours with like-minded people make the whole experience more enjoyable. Our passionate guides know all the best training roads,

Tennis court

Whether you are a beginner or highly skilled tennis player, a game on one of our newly resurfaced hard-court tennis courts is bound to leave you feeling revived and refreshed. The tennis courts are open
